

RIDE ACCESSIBILITY GUIDE

WELCOME TO SESAME PLACE!

This guide provides an overview of services and facilities available for guests with special needs who are visiting Sesame Place Philadelphia. We are committed to providing a safe and enjoyable environment to all guests. Please visit the Welcome Center if you have any questions.

PLEASE NOTE: The information in this guide is subject to change without notice. Please visit the Welcome Center for current information on accessibility and services. You may also speak with an ambassador regarding accessibility prior to boarding a ride or attraction.

RIDE ACCESSIBILITY PROGRAM

Our Ride Accessibility Program matches the individual abilities of our guests to the requirements of each ride. The Ride Accessibility Program is designed to allow guests to fully participate in the enjoyment of our park while keeping in mind the safety requirements of our rides and attractions. The program was developed based on the requirements of the ride manufacturer and by evaluating the physical and mental attributes required to safely ride each ride. It is our policy to allow anyone to ride our rides and enjoy our attractions as long as they meet all these requirements and such that it does not present a potential hazard to the guest or to others.

UTILIZING THE RIDE ACCESSIBILITY PROGRAM

Guests wishing to use the Ride Accessibility Program must enroll at Guest Relations at the park. To enroll in the Ride Accessibility Program (RAP), we recommend filling out the Ride Accessibility Questionnaire before your arrival.

[DOWNLOAD QUESTIONNAIRE](#)

No additional documentation is required to enroll the program. Bring the completed questionnaire to Guest Relations. Once the form is validated, you will be enrolled in our Ride Accessibility Program. If applicable, a personalized list of rides and attractions will be provided to you on a RAP Sheet.

RIDE ACCESSIBILITY PROGRAM OVERVIEW

Once a guest is enrolled in the Ride Accessibility Program, a personalized list of rides and attractions will be provided on a Ride Accessibility Sheet. If applicable, guests who are unable to stand in line because of their physical impairments and/or cognitive disorders will be given a Special Access Pass.

SPECIAL ACCESS PASS

The Special Access Pass is an accommodation designed for guests with physical impairments and/or cognitive disorders to provide equal access to our rides and attractions. Our Special Access Pass gives priority boarding on select rides and attractions to guests who are unable to stand in line because of their physical impairments and/or cognitive disorders.

THE FOLLOWING PROCEDURES WILL BE OF ASSISTANCE WHEN UTILIZING OUR SPECIAL ACCESS PROGRAM (SAP) THROUGHOUT THE PARK:

Guests utilizing our Special Access Pass will be given priority boarding on up to six dry rides and up to three water attractions. The Special Access Pass can only be used on dry rides and water rides; it is not valid for character meet and greets, photos at Photos with Elmo and Friends, character shows, the parade, merchandise lines, culinary lines, and any other in-park attractions.

DRY RIDES:

The Special Access Pass provides guests with priority boarding up to six times on any of the dry rides at Sesame Place. Guests may choose if they want to utilize the Special Access Pass to ride six different rides or if they would prefer to ride the same ride multiple times for a total of six rides. Guests can ride the same ride a maximum of two times in a row. For additional rides, guests must exit and reenter the ride queue.

Guests using the Special Access Pass should proceed to the Abby's Magic Queue entrance of the respective attraction and inform the ride operator they wish to ride. Guests will need to show their wristband and present their Special Access Pass to the ride operator. Please note that ride operators may not be able to speak with guests until the ride has come to a complete stop. Guests may be asked to wait 1-2 ride cycles prior to boarding. Please note: Guests using a wheelchair who are able to safely enjoy Super Grover's Vapor Trail or Oscar's Wacky Taxi (based on their Ride Accessibility Sheet) should proceed to the coaster exit to enter these attractions.

WATER ATTRACTIONS:

Special Access provides guests with priority boarding to water attractions up to three times. Guests may choose if they want to utilize the Special Access to ride three different rides or if they would prefer to ride the same ride multiple times for a total of three rides. Water attractions include: Elmo's Surf 'n' Slide, Rosita's Seaside Slides, and Big Bird's Rambling River.

To use the Special Access Pass on water rides, guests should proceed to the Abby's Magic Queue entrance of the respective attraction and inform the ride operator that they wish to ride. Guests will need to show the ride operator their wristband.

PLEASE NOTE: To use the Special Access Pass on Big Bird's Rambling River, guests should proceed to the attraction exit.

The maximum party size is four: the guest with disabilities or special needs and up to (3) riding companions will be allowed to access attractions using the Special Access Pass. Additional party members over (4) total guests must use the standard ride entrance. The guest issued the Special Access Pass must ride in order for their riding companions to access the attraction through the Special Access entrance.

GENERAL PARK INFORMATION

VISUAL IMPAIRMENT

If you need assistance during your visit, we can provide park guidance. We encourage you to request this service at least 14 business days prior to your visit. Please contact us by calling 215-741-5310 or via email, Guestcomments@sesameplace.com

Every effort will be made to provide guidance with less than two (2) weeks' notice, depending on the availability of Ambassadors. Guests requesting this service will be contacted prior to their visit and specified guide times will be confirmed. The guide will be provided for the first two (2) hours of your visit.

Guests who are blind or have limited/low vision must have someone (either a companion or Ambassador) read the ride instructions prior to boarding.

HEARING IMPAIRED SERVICES

Sesame Place Philadelphia is pleased to provide several options for our guests who may be deaf, hearing impaired, or require additional assistance for communications disabilities. Qualified American Sign Language (ASL) interpreters are available upon request. We kindly ask that you request this service at least 14 business days prior to your visit. Please contact us by calling 215-741-5310 or emailing Guestcomments@sesameplace.com with "ASL Interpreter Request" as the subject. Other auxiliary aids are available, such as show scripts for select shows and can be obtained at the Welcome Center.

SHOW SCRIPTS

Scripts for select shows are available at the Welcome Center located at the front of the park and may be provided upon request.

SERVICE ANIMALS

Service animals are welcome at Sesame Place Philadelphia. Service animals are limited to dogs and miniature horses that have been individually trained to do work or perform task for the benefit of an individual with a disability. Service animals must remain on a leash or in a harness at all times, unless such leash or harness interferes with the service the animal is providing, or the handler is unable to use a leash or harness due to his/her special need. Service animals are the responsibility of the owner and cannot be left unattended. Guests are responsible for the clean-up and for controlling their assistance animal's behavior. If, at any time, your service animal's behavior becomes a threat to the safety and well-being of other park guests, you will be asked to leave the premises.

Although assistance animals are discouraged from riding any ride, your service animal will be permitted on:

- Monster Mix-Up
- Sunny Day Carousel
- Mini Monster Clubhouse
- Flying Cookie Jars
- Elmo's Flyin' Fish
- Peek-A-Bug

To experience a ride or attraction that does not permit service animals, the animal may be left with a non-rider. The guest attending the animal may then board the ride without waiting in line after the first guest assumes responsibility of the animal.

"BREAK" AREA FOR SERVICE ANIMALS

All service animals must be housebroken. For your convenience, a Service Animal "Relief Area" is located at our picnic area in our general parking lot. In the park, there is a location between The Sesame Street Theater and the Count's Food Cart. Please follow the sign to the area or see a team member for assistance.

GUEST RELATIONS

Guest Relations is located to the left of Sesame Place Philadelphia's front gate entrance by the ticket kiosks. Guest services at Guest Relations include:

- Assistance with Season Passes and Ticket Products
- Ticket upgrades

WELCOME CENTER

For general park information and guest services, please visit the Welcome Center, located just inside of the front gate on the left-hand side. Guest services at the Welcome Center include:

- Enrollment in our Ride Accessibility Program
- Lost and Found Inquiries

ACCESSIBLE PARKING

Accessible parking spaces are available in our Preferred Lot starting at \$30. Spaces are limited and often sell out, so we recommend you arrive early. Vehicles should display an accessible parking permit to the tollbooth employee. A wheelchair or an electric wheelchair can be arranged to be brought to your vehicle based upon availability by notifying a parking attendant upon your arrival.

WHEELCHAIRS & ELECTRONIC CONVENIENCE VEHICLES (ECV) RENTALS

Wheelchairs and electric convenience vehicles (ECV's) may be rented near the front of the park from Rentals and Reservation: Photo Viewing on the right of the Welcome Center. Wheelchairs and ECV's are rented on a "first-come, first-served basis. To ensure the likelihood of obtaining a wheelchair and ECV, reservations should be made at least 3 days in advance of planned visit. Reservations can be made on-line at Sesameplace.com/philadelphia/upgrades/parking-and-add-ons/ or by calling 215-702-3566. Guests may also use their own wheelchairs or ECV's. Guests using wheelchairs may join any admissions line to enter the park.

SEGWAY/WALKERS AS WHEELCHAIRS

Sesame Place Philadelphia is committed to providing guests a safe and enjoyable experience. Because of different pathway configurations and terrain, as well as large crowds that include small children and strollers; we regret that we cannot permit the use of two-wheeled, self-balancing electric vehicles such as Segways. Additionally, walkers are not permitted to be used as a substitute for a wheelchair or electric convenience vehicle (ECV). We are pleased to offer other forms of personal transportation, including electric convenience vehicles (ECV's), and standard wheelchairs and we encourage you to contact Guest Services with any questions you may have.

RESTROOMS

All restrooms are accessible to guests using wheelchairs and are clearly marked with the accessible symbol throughout the park.

FIRST AID

Sesame Place First Aid station is located next to Oscar's Garage. This office is staffed by Registered Nurses and Emergency Medical Technicians. Team members throughout the park are able to call for assistance upon request.

FAMILY CARE CENTER

The Family Care Center, located next to Big Bird's Burger & Bites, has four private nursing areas, bottle warmers, and changing stations. The Family Care Center is also home to Lost Parents. Children who are separated from their families during their visit will be able to wait in a supervised, indoor area until a parent or supervising adult is able to meet them.

QUIET ROOM

Guests in need of some quiet time and relief from sensory stimulation can utilize our quiet room near Big Bird's Rambling River. This room has adjustable lighting and a comfortable seating area for guests to take a break. The quiet room is locked to ensure privacy for our guests. Guests who would like to use the quiet room can visit the Welcome Center to receive the code needed to enter.

FOOD POLICY

No outside food or beverages are allowed to be brought into Sesame Place Philadelphia, except you may bring a bottle of water or a refillable water bottle. Glass containers (excluding glass baby bottles and small baby food jars) and plastic straws are not allowed in the park. Coolers, no larger than 12x12, are also allowed. Exceptions may be made for Guests with special dietary needs, including food allergies and baby food/formula. Guest should contact AllergenfriendlySPL@sesameplace.com 3 days prior to their visit to make accommodations.

FOOD ALLERGIES

Sesame Place Philadelphia is committed to providing all guests with a safe and enjoyable dining experience. Allergy-friendly meals are offered at our dining facilities. Guests with food allergies are encouraged to contact AllergenfriendlySPL@sesameplace.com with any questions.

RESTAURANTS & GIFT SHOPS

ELMO'S PIZZA KITCHEN

Prepare for pizza perfection with different varieties of this classic dish. There's something for everyone to enjoy with a selection of chicken tender platters, fresh garden salads, Kids Meals and delicious cupcakes.

BIG BIRD'S BURGERS & BITES

Take a break at Big Bird's Burger & Bites and enjoy juicy burgers, homestyle chicken tenders and more!

ROSITA'S COCINA

If you are craving a quesadilla, Rosita's Cocina is your dining spot. This quick-serve spot offers a tex-mex inspired menu with loaded nachos and a variety of quesadilla options including a Philly cheesesteak quesadilla. Plus, mobile order family pizza meal!

ABBY'S BACKYARD BBQ

Stop by to enjoy barbecue favorites, including our mouth-watering pulled pork sandwich, a BBQ chicken sandwich, loaded chips, and fresh garden salads. For a true summer barbecue feel, guests can also enjoy a variety of beer and hard cider in this open-air restaurant.

COOKIE MONSTER'S FUNNEL CAKES AND MORE

Satisfy your sweet tooth with fantastic funnel cake loaded with powdered sugar, or, beat the heat with classic soft-serve ice cream cones! Om nom nom!

DINE WITH ELMO & FRIENDS

Join your favorite furry friends for a dining adventure the whole family will enjoy! Dine with Elmo & Friends is an experience you won't want to miss during your visit to Sesame Place.

GIFT SHOPS

All gift shops are wheelchair accessible. Please ask any team member for assistance. Package Pick-up is a service available at all gift shops. It provides guests the opportunity to shop throughout Sesame Place Philadelphia and have their purchases sent to our Package Pick-up location at the Sesame Place Store, for pick-up later in the day.

*Menu options subject to change.

SENSORY IMPAIRMENTS & AUTISM

GUESTS WITH AUTISM

Sesame Place Philadelphia offers a complete Park Sensory Guide to assist families with children with autism in planning a day at the park. Please visit our website or the Welcome Center for more information or for a copy of our Park Sensory Guide.

RIDE ACCESS INFORMATION

At Sesame Place Philadelphia, safety is the only consideration that takes precedence over fun! Thrill rides, by their very nature, create forces and speeds that may not be acceptable or tolerable to some guests and may cause injury to some riders with known or unknown pre-existing conditions.

Many rides incorporate safety systems designed by the manufacturer to accommodate people of average physical stature and body proportion. These systems may place restrictions on the ability of an individual to safely experience the ride. In general, you should ride only if you are in good health. Do not ride if you:

- Know or suspect you may be pregnant
- Have high blood pressure, heart, neck or back problems
- Are prone to motion sickness
- Have recently underwent surgery
- Have any other medical condition that may be affected by the features of the ride.

You should not ride if you have any impairment or condition that would prevent the intended use of seating and safety restraints as provided or inability to follow any safety requirement.

In order to ride, guests must be able to:

- Maintain the proper riding position throughout the ride. (e.g. brace themselves upright in their seat, keeping their head upright and their back against the seatback, maintain postural control while seated in a tube or raft).
- Use the restraint device properly and be able to hold on tight and keep their hands, arms, legs, and feet down and inside the attraction at all times.
- Demonstrate a willingness and ability to comply with verbal and written rider requirements.
- The rider requirements and health restrictions are listed at the entrance of each ride.

Guests with casts or braces will be restricted from riding certain rides where the cast or brace may present a hazard to the guest or others. Please visit The Welcome Center for more information.

Sesame Place ambassadors can offer assistance steadying a guest transferring to or from a wheelchair. They may not lift or assist in lifting anyone using a wheelchair. All guests must be able to board a ride themselves or with help from a member of their party.

HEIGHT REQUIREMENTS

Height requirements are posted at each attraction. All guests, including those using wheelchairs, must meet the height requirement.

CASTS, BRACES, AND WALKING BOOTS

Guests with a full arm cast (arm casts that extend above the elbow), certain types of forearm casts, full leg cast (casts that extend above the knee), braced arm cast, or braces between the legs may be restricted from riding certain rides and should refer to the Ride Information section of this guide for more information. Guests with walking boots and knee braces will be able to ride as long as the boot or brace fits comfortably in to the ride unit.

PROSTHETIC DEVICES AND AMPUTATIONS

Guests with any type of prosthesis should ensure it is properly secured before riding any ride and should refer to the Welcome Center to determine their specific ability to ride any ride.

GUESTS OF EXCEPTIONAL SIZE

In order to ride, all seatbelts, lap bars, and shoulder harnesses must be positioned and fastened properly. For water attractions, guests must be able to fit in tube and maintain proper riding position.

RIDE ESCORTS

Ride escorts may be required due to mechanical problems, weather conditions, or power interruption. If a ride escort is required, guests may need to negotiate stairs from the highest point of the ride and down steeply inclined catwalks or steps.

Guests requiring assistance during the ride escort may be escorted last in order to expedite the ride escort process. Only one mobility-impaired guest may ride the attraction at one time, unless they are in the same family. Please inquire about specific procedures prior to boarding a particular attraction.

OXYGEN TANKS AND CONCENTRATORS

Due to the dynamics and certain characteristics of the rides, oxygen tanks are not permitted on any ride. Oxygen tanks are permitted in theaters, exhibits, and other enclosed facilities.

Oxygen Concentrators may be permitted on certain rides as long as they can be secured and meet the loose article requirements for the particular ride.

BEFORE EXPERIENCING AN ATTRACTION PLEASE NOTE ALL SAFETY WARNINGS BOTH VERBAL AND WRITTEN FOR EACH RIDE.

DEFINITIONS

Every ride entrance lists height requirements and special instructions regarding the ride. Sesame Place Philadelphia uses the following terms:

- **SUPERVISING COMPANION:** A supervising companion is someone who physically and mentally meets all the requirements to ride the ride themselves and is 14 years of age or older.
- **ACCOMPANIED BY:** Whenever a guest needs accompaniment, the accompanying person must meet all the ride requirements, as well as be able to assist the guest. This includes helping the guests in the boarding and exiting of the ride, assisting the guest in maintaining postural control while riding, and assisting the guest down stairs, catwalks, or ladders in case of a ride escort.
- **HAND-HELD INFANT:** A hand-held infant is defined as a baby or toddler who is unable to take 3 unassisted steps to the ride or attraction independently and cannot maintain independent seated postural control. In addition, for water attractions all riders must fit properly into a US Coastguard approved Type II or Type III life vest where required.
- **FUNCTIONING EXTREMITY:** A functioning extremity is a limb over which a person has control. A prosthetic device is considered a functioning extremity.
- **ABILITY TO HOLD ON OR BRACE:** Ability to use one's arms to maintain a grasp on an assist bar and support one's body during normal and emergency procedures on a ride and to use one's legs to brace to maintain a seated position during the forces of the ride.

RIDERSHIP CRITERIA

The ability for a guest with a disability to ride certain rides or attractions is evaluated criteria which may include manufacture's requirements and other safety considerations. Some of those may include the following:

- **ABILITY TO MAINTAIN THE PROPER RIDING POSITION THROUGHOUT THE RIDE:** The guest must have the body and spinal control to maintain the proper riding position throughout the ride without the aid of other people or devices and be able to maintain the proper riding position even during bumping or other characteristic movements of the ride.
- **WEIGHT DISTRIBUTION TO ALLOW THE RESTRAINT DEVICE TO FUNCTION AS DESIGNED:** The weight distribution of the guest's body must not interfere with any of the ride or attraction's safety and restraint devices as they were designed.
- **CONTROL OF UPPER TORSO: INCLUDING HEAD AND NECK -** The guest must have sufficient muscle control to support their head, neck and upper torso in the proper position during the ride or attraction's designed dynamic motions.
- **ABILITY TO HOLD ON WITH ONE FUNCTIONING HAND:** A functioning hand is an upper extremity or prosthesis with fingers that have the ability to grasp the restraint device and exhibits good grip control; the ability to brace and is strong enough to maintain the proper riding position throughout the duration of the ride.
- **ABILITY TO HOLD ON WITH TWO FUNCTIONING HANDS:** Ability to hold on with two functioning hands as described above.
- **ABILITY TO HOLD ON WITH ONE FUNCTIONING ARM:** A functioning arm is an upper extremity or prosthesis that has the ability to arm-grip the restraint device by wrapping the arm around the restraint device and is strong enough to allow the guest to maintain the proper riding position throughout the duration of the ride.
- **ABILITY TO HOLD ON WITH TWO FUNCTIONING ARMS:** Ability to hold on with two functioning arms as described above.
- **ABILITY TO BRACE SELF WITH ONE FUNCTIONING LEG:** Guest must have one functioning leg, natural or prosthetic, for bracing their body during the course of the ride or attraction.
- **ABILITY TO BRACE SELF WITH TWO FUNCTIONING LEGS:** Guest must have two functioning legs, natural or prosthetic, to be used for bracing their body during the course of the ride or attraction and maintaining balance when entering and exiting a ride or attraction.
- **MINIMUM OF TWO FUNCTIONING EXTREMITIES:** Guest must have a minimum of two functioning extremities, natural or prosthetic (two arms, two legs, or one arm and one leg), to brace themselves during the ride and assist in entering and exiting the ride or attraction.
- **MINIMUM OF THREE FUNCTIONING EXTREMITIES:** Guest must have a minimum of three functioning extremities, natural or prosthetic (two legs and an arm or two arms and a leg) to allow the guest to brace in a tripod manner during the ride.
- **ABILITY TO ENTER AND EXIT THE RIDE WITHOUT ENDANGERING SELF OR OTHERS:** Guest must be able to enter and exit the ride without jeopardizing themselves or others and to assist with their own evacuation, if necessary. This may include entering through an exit or having someone aid him or her in boarding. If a guest has to be lifted in and out of a ride unit, they must be accompanied by a supervising companion who is accustomed to doing this. For the safety of ride or attraction operators and the guest, our operators are instructed not to perform this function.
- **APPROPRIATE OBSERVED CONDUCT:** Guest must demonstrate appropriate observed conduct by indicating a willingness and ability to understand, participate in, and follow all rider requirements. Appropriate observed conduct may include but not be limited to, maintaining the proper riding position, attention to and compliance with safety instructions, proper use of restraints and safety equipment and a willingness to participate in the attraction.

In addition to the basic physical and mental requirements defined above, each ride is evaluated relative to specific temporary conditions which may prevent a guest from safely riding a particular ride. Some of the specific conditions evaluated include:

- Cervical collar or neck brace, Broken collar bone, Full arm cast, Braced arm cast, Lower arm cast, Full leg cast, Lower leg cast, Bilateral abduction leg casts (brace between legs), the suitability of safely carrying hand-held infants on each ride.

INDIVIDUAL RIDE INFORMATION

The following descriptions are designed to give you information on the type of actions caused by various rides along with their unique physical restrictions. If you enrolled in the Ride Accessibility Program, follow the directions listed under each ride below.

ELMO'S SILLY SPLASHY SLIDES

GET READY FOR SPLASHY FUN!

Elmo's Silly Splashy Slides feature two colorful, intertwining body flumes that twist and turn their way down to a splash pool.

RIDE ACCESS: Elmo's Silly Splashy Slides must be accessed by stairwell. Guests who are unable to wait in line should notify an ambassador at Abby's Fairy Falls and a member of our leadership team will escort you to the top of Elmo's Silly Splashy Slides.

HEIGHT RESTRICTIONS: Riders must be 42" or taller to ride. No hand-held infants.

RIDE RESTRICTIONS: Single riders only, must sit or lie down feet first, no loose articles, proper swimwear is required, shoes are not permitted on the slide.

For your safety, you should ride only if you are in good health. Guests who know or suspect that may be pregnant, have high blood pressure, heart conditions, neck or back problems, recent surgery, or any other impairment or medical condition that may be affected by the features of this ride or prevent the normal riding position shall not ride.

PHYSICAL RESTRICTIONS: Guests must be able to sit upright and maintain proper riding position throughout the ride, have control of the upper torso including the neck and head, have the ability to brace self with one functioning leg, have the ability to enter/exit the ride without endangering self or others and have sufficient awareness to understand the consequences that may lead to injury to self or others. Guests with broken collar bones/dislocated shoulders, full or braced arm casts, leg casts, braces between the legs, or neck/back braces must not ride.

ASSISTANCE ANIMALS: Not permitted

BIG BIRD'S RAMBLING RIVER

COOL OFF & CHILL OUT.

Grab a tube and enjoy this relaxing, fun-filled water adventure through bubbling, swirling waters, spraying geysers, and splashy waterfalls. Big Bird's Rambling River is the perfect place for the whole family to unwind and enjoy the view!

RIDE ACCESS: Guests using a wheelchair or other assistive mobility device may enter through the exit of the river exit. This area is located in front of the Good Ship Sesame. A chair lift is provided for access into the pool. Guests are required to transfer from a wheelchair to the chair lift. Please see an ambassador at the river exit for assistance.

HEIGHT RESTRICTIONS: Riders under 42" must be accompanied by a supervising companion. No hand-held infants.

RIDE RESTRICTIONS: Riders must be in a tube or with a tube to enjoy the river. Proper swimwear is required.

For your safety, you should ride only if you are in good health. Guests who have neck or back problems, recent surgery, or any other impairment or medical condition that may be affected by the features of this ride or prevent the normal seating or use of the safety restraints as provided, shall not ride.

PHYSICAL RESTRICTIONS: Guests must be able to sit upright and maintain the proper riding position throughout the ride and have control of the upper torso including the neck and head. Guests must also be able to or have a companion to assist with the following: enter/exit the ride without endangering self or others and have sufficient awareness to understand the consequences of actions that may lead to injury to self or others. Guests with broken collar bones/dislocated shoulders, braced arm casts, leg casts, or neck/back braces must not ride.

ASSISTANCE ANIMALS: Not permitted

BLAST-OFF

3-2-1 BLAST OFF TO PLANET ELMO!

Board a UFO (Unidentified Furry Object) and ride through the stars to Planet Elmo! Launch into laughter as you bounce up to outer space and then back down to Earth.

RIDE ACCESS: Guests using a wheelchair or other assistive mobility device may enter the line through a wheelchair accessible gate located at the entrance. For guests unable to wait in line, access through the exit gate is permitted after receiving permission from the ride operator.

HEIGHT RESTRICTIONS: Guests must be 42" tall, or accompanied by a supervising companion. Hand-held infants are not permitted.

RIDE RESTRICTIONS: For your safety, you should ride only if you are in good health. Guests who know or suspect that may be pregnant, have high blood pressure, heart conditions, neck or back problems, recent surgery, or any other impairment or medical condition that may be affected by the features of this ride or prevent the normal seating or use of the safety restraints as provided, shall not ride.

PHYSICAL RESTRICTIONS: Guests must be able to grip with one functioning hand and brace with one functioning leg or grip with two functioning hands to ride. Guests with a double leg amputation above the knee must not ride unless a well-secured prosthetic is in place. Those wearing full arm casts, full leg casts, or neck braces must not ride.

ASSISTANCE ANIMALS: Not permitted

CAPTAIN COOKIE'S HIGH C'S ADVENTURE

AHOY MONSTERS - WELCOME ABOARD!

Set sail on a high seas adventure with Captain Cookie and enjoy the rolling waves of the ocean with the wind in your fur!

RIDE ACCESS: Guests using a wheelchair or other assistive mobility device may enter the line through a wheelchair accessible gate located at the entrance. For guests unable to wait in line, access through the Abby's Magic Queue entrance is permitted after receiving permission from the ride operator.

HEIGHT RESTRICTIONS: Guests must be 48" tall, or accompanied by a supervising companion. Hand-held infants are not permitted.

RIDE RESTRICTIONS: For your safety, you should ride only if you are in good health. Guests who know or suspect that they may be pregnant, have high blood pressure, heart conditions, neck or back problems, recent surgery, or any other impairment or medical condition that may be affected by the features of this ride or prevent the normal seating or use of the safety restraints as provided, shall not ride.
